

Weddings at Earthshine Lodge

Imagine having an entire weekend to laugh, dance, sit by a crackling fire, gasp at shooting stars and celebrate your marriage on a gorgeous, 76-acre mountaintop property...just you and your favorite people. This is what an Earthshine wedding looks like!

Your own private mountain. We think weddings are pretty special occasions and we treat them that way. Weekend wedding parties have the entire 76-acre property to themselves from 3 pm on Friday until 11 am on Sunday. We want you to soak up your time with family and friends! We won't rush you off to make room for the next wedding and you don't have to share the space with other guests.

On-Site Accomodations. Your weekend includes eight guest rooms in our Lodge and our three Sunrise Cottage units, sleeping up to 46 people. If you choose, guests can book their rooms through us at a rate of your choice and we'll deduct that amount from your total cost. Is your crew full of outdoor lovers? If so, there's plenty of room to pitch a tent and camp.

An intimate celebration. We've got a large property, but we're not a huge wedding venue. We're best set up to handle up to 75 people, to ensure that you and your guests have the perfect, intimate mountaintop wedding experience.

In-house catering. Let us take care of all your meals with in-house catering by our talented chef. Pig pickin' by a campfire? We've got you. Locally-grown new southern cuisine? We can do that, too...and everything in between. We can take care of all your meals, starting with your rehearsal dinner Friday night through a farewell Sunday brunch.

Views for days. Everywhere on the property, you'll be surrounded by mountains, lush forests, and stunning sunrises and sunsets. From Top Knoll at Earthshine, you feel like you're on top of the world as you take in views of the Blue Ridge mountains, a perfect backdrop for a small wedding. Our stone patio is an ideal place to soak in sunset by a campfire...and you don't have to even get out of bed to watch the sunrise over mountain peaks in our East Cottage.

On-site activities. Create memories with your friends and family on a llama hike. Blacksmithing & Brews makes a great experience for your wedding party. Or invite your crew to try archery or tomahawk throwing! Weddings are supposed to be fun, right?

Outdoor Adventure. Western North Carolina is world-famous for its outdoor adventure opportunities. Earthshine is just a short drive from hundreds of waterfalls, miles of phenomenal hiking and biking trails, and beautiful mountain rivers in Pisgah and Nantahala National Forests, Gorges State Park, DuPont State Forest and the Blue Ridge Parkway. Make your wedding the adventure of a lifetime!
