

COVID-19 PROTOCOLS

Here at Earthshine Lodge, we are committed to providing a safe and healthy environment for everyone concerned, including our guests, our staff, and our community. Offering lodging and outdoor adventures is at the heart of what we do, and we want to ensure that everyone can enjoy the mountaintop in a safe and comfortable environment.

WHAT YOU CAN EXPECT:

As Covid-19 restrictions around the country are being cautiously lifted, we are continuously evaluating our protocols in order to mitigate pandemic threats in our facility and the greater Lake Toxaway/ Transylvania County community. We hope that these policies provide some measure of comfort and reassurance for our visitors, and want to do our part to help end this pandemic and keep our business open safely and responsibly. We thank you for your help in this.

- As of March 24, Transylvania County is in the low (green) category of the CDC's COVID-19 Community Levels. Per CDC recommendations for the green category, guests "should wear a mask based on personal preference, informed by their personal level of risk."
- We strongly urge you:
 - Do not travel if there is a chance you have been exposed to COVID-19.
 - Stay home if you are showing any symptoms or are not feeling well.
- We encourage all of our guests to familiarize themselves and follow the [CDC recommendations for domestic travel](#).
