***Free Time Suggestions or Activities**

Feel free to enjoy as many (or as few) activities on the schedule as you wish. Your time here is yours and we want you to feel at home! Outside of scheduled activities, nap in a hammock on the Rocky Knoll, grab a map and explore the hiking trails on the property, sit on the porch and enjoy the views with a coffee or tea, find a book in our lodge library, etc. You are in the Land of Waterfalls - ask one of our staff about waterfall hiking trails in the area and explore the best of Transylvania County.
